Disclaimer

This calculator is only an estimate of how much cover you may need. It is not a guide to the actual insurance cover you require and is not intended as advice. To the extent that it is financial product advice, it is of a general nature only and is not based on any consideration of your objectives, financial situation and needs. You should obtain and read the Product Disclosure Statement (PDS) to decide if the policy is right for you. The PDS is our policy document and provides a more detailed description of this insurance cover, including the specific cover, exclusions and options available in your area.
